## Snoring Pad

The Anti Snoring Pad is designed to provide a comfortable and supportive fit around the jaw and head area. Made with premium-quality fabric and a soft inner lining, it is intended for individuals seeking a relaxed and stable sleep posture. The pad features a compact and ergonomic design that allows ease of use during rest.

### Key Features & Highlights:

- **Comfortable Fit:** Softly padded and adjustable to suit different head sizes.
- **Ergonomic Design:** Supports the jaw area gently while maintaining comfort throughout the night.
- **Durable Fabric:** Made with breathable, high-quality material for everyday use.
- **Adjustable Straps:** Easy-to-use Velcro straps ensure a secure yet comfortable fit.
- **Magnetic Layer:** Includes strategically placed magnets enclosed within the pad covering.

## Headache Pad

The Headache Pad is designed to wrap comfortably around the forehead and head area. It is made with soft, durable fabrics and adjustable straps for a secure fit. The pad contains embedded magnets arranged within the lining.

### Key Features & Highlights:

- Comfortable wrap design for the head
- Adjustable strap for a secure and customizable fit
- Lightweight and portable for use at home or travel
- Soft inner material for added comfort
- Easy-to-wear design with quick fastening system

# Eye Pad

The Eye Pad is designed in the form of a soft, cushioned eye cover that fits comfortably over the eyes. It is made from durable quilted fabric and includes an adjustable elastic strap to hold it securely in place.

Lightweight and portable, the pad can be used conveniently at home or while travelling. Embedded magnets are arranged inside the pad, and its flexible design allows for a comfortable fit for different face shapes.

## Key Features & Highlights:

- Soft, cushioned design shaped for the eyes
- Durable quilted fabric for comfort and long-lasting use
- Adjustable elastic strap for a secure fit
- Lightweight, foldable, and easy to carry
- Suitable for everyday use at home or while travelling

# Neck Pad

The Neck Pad with Magnets is crafted to wrap comfortably around the neck area. It is made from high-quality fabric, layered stitching, soft padding, and embedded magnets for ease of wear and support. With an adjustable design, it is lightweight, portable, and easy to use in daily routines.

## Key Features & Highlights:

- Designed to comfortably fit around the neck
- Adjustable closure for a snug fit
- Lightweight and portable
- Durable stitching with padded inner layer
- Contains embedded magnets inside the pad
- Suitable for men and women

# Elbow Pad

The Elbow Pad is designed to comfortably wrap around the elbow joint with a flexible and ergonomic fit. It is crafted using durable quilted fabric and features Velcro straps for easy adjustment and secure placement.

Lightweight and portable, the pad can be worn conveniently during daily activities. Embedded magnets are arranged within the pad's structure, and the adjustable design allows for a customized fit for different arm sizes.

## Key Features & Highlights:

- **Ergonomic Fit:** Designed to contour around the elbow joint for comfort and flexibility.
- **Magnetic Layer:** Built-in magnets create a soothing magnetic field that many users find relaxing.
- **Adjustable Straps:** Ensures a snug yet comfortable fit without restricting natural movement.
- **Durable Fabric:** Made with strong quilted fabric and soft padding for long-lasting use.
- **Lightweight & Portable:** Easy to wear at home, office, or while travelling.

# Lower Arm Pad

The Lower Arm Pad is designed to be worn around the forearm or lower arm area. It is made with durable fabrics, adjustable straps, and embedded magnets, ensuring a secure fit and ease of use.

## Key Features & Highlights:

- Wrap-around design for forearm support
- Adjustable hook-and-loop straps for a snug fit
- Soft and comfortable inner lining
- Lightweight and portable for daily use
- Easy to wear and remove

A handwritten signature in blue ink, appearing to read "Praveen". The signature is stylized and written in a cursive-like font.

# Upper Arm Pad

The Upper Arm Pad is designed to fit around the upper arm area. It is lightweight, adjustable, and crafted with soft materials combined with embedded magnets, making it convenient and comfortable to wear.

## Key Features & Highlights:

- Specifically designed for the upper arm region
- Adjustable straps for a firm yet comfortable fit
- Lightweight, portable, and easy to wear
- Soft inner lining for comfort during extended use
- Secure fastening with hook-and-loop closure

# Upper Shoulder Pad

A handwritten signature in blue ink, which appears to be "Pradeep", is written to the right of the logo.

The Upper Shoulder Pad is designed to comfortably wrap across the shoulder and upper back area. With embedded magnets and durable construction, it offers ease of use while being lightweight and portable.

## Key Features & Highlights:

- Specially crafted for the upper shoulder and back area
- Adjustable design with secure fastening straps
- Lightweight and portable for daily use
- Soft inner lining for comfort
- Easy-to-clean and durable construction

# Belly Pad

The Belly Pad is designed with a compact, ergonomic shape that wraps comfortably around the waist and abdominal area. It is made from durable quilted fabric and features an adjustable Velcro strap for a secure and customized fit.

Lightweight and portable, the pad can be easily worn at home, in the office, or while travelling. Embedded magnets are arranged inside the pad, and the flexible design ensures ease of use in daily routines.

## Key Features & Highlights:

- Compact and ergonomic belly-fit design
- High-quality quilted fabric for comfort and durability
- Adjustable Velcro strap for secure fitting
- Lightweight, foldable, and travel-friendly
- Easy to use in everyday settings

*Premkumar*

# Waist Pad

The Waist Pad is designed to comfortably wrap around the waist region. It is equipped with embedded magnets and an adjustable strap system, offering a secure fit for daily wear.

## Key Features & Highlights:

- Specially crafted for the waist and lower back area
- Adjustable hook & loop straps for a customizable fit
- Soft, durable, and breathable material
- Portable and easy to use anytime, anywhere
- Washable and long-lasting construction

# Backbone Pad

The Backbone Pad is designed with a comfortable, ergonomic fit that covers the back and shoulder area. It is made from durable quilted fabric and equipped with strategically placed magnets.

The pad features adjustable straps for ease of use and a secure fit, making it suitable for wearing at home, in the office, or while travelling. Its lightweight and portable design ensures convenience and regular usability to perfectly align with the spine, shoulders, and back, it delivers targeted relief from everyday stress, stiffness, and pain. Crafted with attention to detail, the Backbone Pad reflects E-Biotorium's focus on quality and user-friendly wellness products.

# Thigh Pad

The Thigh Pad is designed to wrap comfortably around the thigh area. Made with durable manmade fabric and embedded magnets, it is lightweight and adjustable with secure fasteners for ease of use.

## Key Features & Highlights:

- Designed specifically for the thigh area
- Adjustable straps for a secure and customizable fit
- Soft and cushioned interior for added comfort
- Lightweight and portable design
